

Sunday, April 14, 2024

Good evening everyone,

This is Bonnie Rempel with your Sunday memo for the week of April 15 - 19

On the menu this week, we will be serving the following:

Monday – Chinese plate – rice, veggie stir fry, chicken balls and egg rolls

Tuesday – Fettuccini Alfredo with chicken and garlic bread sticks

Wednesday – Student Led Conferences

Closed on Thursday and Friday

Student Led Conferences will be held Wednesday, April 17 from 9am to 12pm and again from 1pm to 5 pm. We are encouraging families/guardians to come to the school at any time to have a conversation with your child's teachers.

All mid-term report cards will be available on parent/student connect on Monday, April 22. We still have 42 days remaining prior to exams, so please encourage your children to work hard to ensure they obtain their credits.

A parent prom committee meeting will take place on Monday, April 15th at 7:00 pm in Room 223. All parents of "Class of 2024" potential graduates are welcome to attend. Parent participation is highly valued and encouraged. Prom 2024 cannot happen without parental involvement, as there is a lot of planning, organizing, and fundraising needed to make this event a reality.

Our senior varsity badminton athletes had another incredible weekend as they competed at the College Louis-Riel varsity tournament in Winnipeg. Congratulations to Cameron Murray and Kaitlyn Krentz for winning the gold in mixed doubles. Ken Fitze who placed 1st in boys singles. Mia Clarkson brought home a bronze in girls singles and Dilshan Saggu also brought home the bronze in boys singles.

Our junior varsity badminton athletes made their way to Gimli, Manitoba for their first competition of the season. Congratulations to Om Vyas and Joe Fitze, who took 1st place in boy's doubles.

In addition, this weekend, our very own Mazy Deibert was selected to represent R. D Parker in the Basketball Manitoba Graduating All-Star game for 2024. Congratulations to Mazy, and thank you for representing RDPC with such pride, sportsmanship and talent.

Let the celebrations continue. We would also like to congratulate Panshul Ghai on bringing home the gold medal at the 2024 Manitoba Skills in Outdoor Power and Recreation Equipment. Panshul will be representing Manitoba in this category at the National Skill Level being held in Quebec at the end of May 2024.

We received a video link from one of our local Medical Radiation Technologists and thought it was worth a share if there are any graduating students interested in this field. I will attach the link in my email.

If you need us for anything, please just give us a call. Take care, have a beautiful Sunday evening and always choose kindness.

Bonnie Rempel 😊
